## **Guidelines for purchasing used books:**

Used books that can be purchased are listed and show an ISBN#. Please be certain to check the ISBN# - located on the right bottom corner on the back of the book.

The amounts shown are last years new book prices. Parents determine the selling price. Many parents charge  $\frac{1}{2}$  of the new book price. If a book is not listed, or the ISBN# does not match, do not purchase it, unless it is a paperback novel.

Any questions, please call the school office @ 847.385.2012.
